TENTATIVE TOWN WARRANT**THE STATE OF NEW HAMPSHIRE**

To the Inhabitants of the Town of Tamworth in the County of Carroll in said State, qualified to vote in Town Affairs:

You are hereby notified to meet at Tamworth Town Hall in said Tamworth on Tuesday, the Tenth day of March, next at ten of the clock in the forenoon, to act upon the following subjects:

1. To choose all necessary Town Officers for the year ensuing.

2. To raise such sums of money as may be necessary to defray town charges for the ensuing year and make appropriations of the same.

3. To see what sum of money the town will vote to raise and appropriate for town officers' salaries. \$2100 is approved by the finance committee.

4. To see what sum of money the town will vote to raise and appropriate for town officers' expenses. \$600.00 is approved by the finance committee.

5. To see what sum of money the town will raise and appropriate for election and registration expense. \$100.00 has been approved by the finance committee.

6. To see what sum of money the town will vote to raise and appropriate for expenses of painting town garage. \$400.00 has been approved by the finance committee.

7. To see if the town will vote to raise and appropriate the sum of \$400.00 for printing.

8. To see what sum of money the town will vote to raise and appropriate for the maintenance of the police department. \$200.00 has been approved by the finance committee.

9. To see what sum of money the town will vote to raise and appropriate for the town fire department — including firemen's insurance and brush fires. \$2000.00 has been approved by the finance committee.

10. To see what sum of money the town will vote to raise and appropriate for the health department, including \$100.00 respectively to the Huggins Hospital, the Laconia Hospital, and the North Conway Hospital, and \$1500.00 for the community nurse association. \$1800.00 has been approved by the finance committee.

11. To see what sum of money the town will vote to raise and appropriate for vital statistics. \$50.00 has been approved by the finance committee.

12. To see what sum of money the town will vote to raise and appropriate for the town dump and garbage removal. \$300.00 has been approved.

13. To see what sum of money the town will vote to raise and appropriate for town maintenance, including bushes \$600.00, tarvia \$5000.00, bridges \$4000.00, summer \$4500.00, winter \$8500.00. It has been approved by the finance committee.

14. To see what sum of money the town will vote to raise and appropriate to pay for street lighting. \$1400.00 has been approved.

15. To see what sum of money the town will vote to raise and appropriate for general highway expenses. \$2000.00 has been approved.

16. To see what sum of money the town will vote to raise and appropriate for town road aid (TRA). \$842 has been approved.

17. To see what sum of money the town will vote to raise and appropriate in addition to the amount required by law for the support of the town library. \$400.00 has been approved.

18. To see if the town will vote to raise and appropriate the sum of \$3000.00 for town poor. Approved by the finance committee.

19. To see if the town will vote to raise and appropriate the sum of \$3500.00 for old age assistance. Approved by the finance committee.

20. To see if the town will vote to raise and appropriate the sum of \$50.00 for Memorial Day. Approved by finance committee.

21. To see what sum of money the town will vote to raise and appropriate for Parks and Playgrounds. \$550.00 has been approved.

22. To see what sum of money the town will vote to raise and appropriate for cemeteries. \$100.00 has been approved.

23. To see what sum of money the town will vote to raise and appropriate for damages and legal expenses — including damage by Dogs. \$75.00 has been approved.

24. To see what sum of money the town will vote to raise and appropriate for advertising and regional associations. \$218.00 has been approved.

25. To see what sum of money the town will vote to raise and appropriate for Civil Defense. \$150.00 has been approved.

26. To see what sum of money the town will vote to raise and appropriate to defray interest on temporary loans. \$500.00 has been approved.

27. To see what sum of money the town will vote to raise and appropriate for town construction. \$1500.00 to finish White Lake Road has been approved by the finance committee.

28. To see what sum of money the town will vote to raise and appropriate to defray the County Tax. \$10,000.00 has been approved.

29. To see what sum of money the town will vote to raise and appropriate for Insurance. \$500.00 has been approved.

30. To see what sum of money the town will vote to raise and appropriate to pay for bonding of Town Officers. \$190.00 has been approved.

31. To see what sum of money the town will vote to raise and appropriate for new bridge and approach on junction of routes 113 and 25 at Whittier. An estimate of \$18,750.00 has been received from the State Highway Dept. as the town's share. It is recommended by the finance committee to use the Capital Reserve Fund and Interest in the amount of \$11,558.93, borrowing the balance to be paid off in 1954.

32. To see if the town will vote to authorize the Selectmen to borrow money in anticipation of taxes.

33. To see if the town will authorize the Selectmen to dispose of any town property acquired through tax collector's deed.

34. To see if the town will vote to authorize the Selectmen to distribute the inventory blanks at the time of assessment on April 1.

35. To see if the town will vote to allow the collector of taxes additional compensation for his services in collecting the state head tax and to fix the amount thereof. 2% of the amount of head taxes collected was paid by the state last year, and we recommend the same.

36. To see if the town will vote to adopt a plan for extending to employees of the town the benefits of title II of the Federal Social Security Act (Old-Age and Survivor's Insurance) as authorized by Chapter 234 of the Laws of 1951 and to raise and appropriate the sum of \$100.00 to defray the town's share of the cost thereof.

37. If the foregoing article is adopted, to see if the town will authorize the selectmen to execute on behalf of the town the necessary agreement with the State of New Hampshire to carry into effect the plan and to see if the town will designate the Town Treasurer and Selectmen to be responsible for the administration of the plan.

38. To see if the town will vote to raise and appropriate the sum of \$500.00 for the improvement and repair of Riverside Cemetery. Not voted on by finance committee.

39. To see if the town will vote to raise and appropriate the sum of \$218.00 which is 1/100 of 1% of the assessed valuation of the town, to the Lakes Region Association for the purpose of publicizing and promoting the natural advantages and resources of the town, in cooperation with other towns in the Lakes Region. Approved by the finance committee.

40. To see if the town will vote to raise and appropriate the sum of \$100.00 for the up-keep and minor repairs on town buildings. This includes \$25.00 to be raised for Garden Club.

41. To transact any other business that may come legally before this meeting, and see what hour the people will vote to close the polls of said meeting.

This is to certify that we have examined the accounts of the Tamworth Community Nurse Association, and find them correct and properly vouched.

FRANCIS J. WELCH
FRANCIS G. CLEVELAND

REPORT OF TAMWORTH COMMUNITY NURSE ASSOCIATION, INC.

Secretary's Report

Through the loyalty and generosity of our many summer residents and the appropriation from the town, the Tamworth Community Nurse Association has carried on its work for its 31st year.

In May Mrs. Margaret Philbrick resigned as community nurse and her place was temporarily filled by Mrs. Warren Buck of South Tamworth. At this time the Association felt it desirable to broaden the health program for the town in view of the many changes in the Public Health Field.

With this in mind, the officers of the Association interviewed the State Department of Public Health and with the assistance of that Department hired Mrs. Paul Nystedt, whose experience in Public Health work made her ideally suited for the position. Mrs. Nystedt came on duty August 1.

Before her arrival the nurse's office at the school house was painted and decorated through the kindness of Mrs. James Whittemore, Mrs. Lawrence Scudder and Mrs. Alfred Tozzer. Many supplies for the office were donated by Mr. John MacGregor of Chocorua.

The work of the Public Health Nurse in your town touches all ages. It also concerns itself with the mental, spiritual and economic problems of the patient, as well as the physical. It never fails to be interesting and challenging. The Fall has seen a rather heavy load of bedside nursing, which, together with the school work, has pushed the pre-school and infant health program into the background.

In a 1950 survey of health services in this State, Carroll County was found to be the most "isolated rural" of any county in the State. In other words,

its residents are the farthest removed from health centers such as Hospitals, Clinics, Dentists, etc. We are indeed fortunate to have a resident physician here, a benefit many towns are without.

Because of this distance from health centers, considerable travel is required by your nurse in bringing patients to such specialized services as: Orthopedic Clinics, physiotherapists, Speech Clinics, Optometrists, and Pediatric Clinics. In considering this fact, it becomes apparent that a greater emphasis on health education, in both health habits and healthier living conditions, is necessary.

Our townspeople should be most grateful to the members of the Nursing Committee through whose wholehearted efforts, together with the town appropriation, this valuable work is made possible.

Respectfully submitted,
ROSALIND NYSTEDT, R. N.

REPORT OF THE LIBRARIAN

About 150 books have been added this year. This includes the gift to the Book-of-the-Month Club which is given by the Tamworth Foundation; the Literary Guild books, by Mrs. Francis Cleveland; The Geographic Magazine by Mrs. Clarence Hoag, and a large collection of very worth while books from Wilbur Smith. Smaller contributions have been received from the following: Mrs. Chas. Rheault, Mrs. Huntington Thompson, Mrs. Black, Miss Margaret King, Harry Damon and Mrs. Frederic Gustafson. The gift of a table and chairs for the children's corner and plastic drapes for the windows by Mrs. Edwin Remick are much appreciated. The need for new children's books is urgent at the present time. From 50 to 100 books are loaned each week, to the children from the school who visit the library on school time. The boys are always calling for Stephen Meader books while the girls as eagerly ask for Sue Barton and Nancy Drew stories. We are building a library of Landmark and Children of Famous Americans series which are also popular.

The librarian wishes to express appreciation to those who are so generously contributing books to the library and to the Garden Club for the flower arrangements and window boxes which they plant each year; to the Trustees, also, she expresses appreciation for their helpfulness and cooperation.

Respectfully submitted,
HELEN B. HIDDEN
Librarian

REPORT OF FOREST FIRE WARDEN

Once again we are about to enter another forest fire season and once again your town forest fire warden is asking you to be careful of fires in our woodlands and along our roadsides. There is nothing more displeasing to the eye than an area of blackened waste. Nine out of ten of these blackened areas are caused by You and You. It is only with your cooperation that we can prevent such an area in our town. A great part of the men and women of this area depend on timber for their weekly pay check, and by you and you being careless, these people are being deprived of a living. We can't even try to prevent fires caused by lightning, but the number of fires caused by this agent is very small. It is you as a smoker, as a debris burner, — you as a careless person, who can do a great deal in preventing this most shameful waste of our natural resources.

You can help by making sure your smoking material is out — DEAD OUT, your incinerator is air tight, the area around it is cleaned of all burnable material, that you have had it inspected by your forest fire warden, that you have asked for and received a permit to burn from your forest fire warden. By doing these things the number of fires are going to be fewer and you will have woodlands to hunt in, to have picnics in, to be able to fish the stream. You will also be proud of your green mountainsides. By not doing this you will not enjoy yourself at all. It is not too long ago that most of us can still remember the fall of 1947, and we all know that most of those fires during that period could have been prevented if everyone was careful. So, it is only You and You that can prevent this most shameful waste of our woodland by this common enemy — FIRE.

Please remember it is a proud record for you to say that my town had no woods fires this past year and it is only through you and you that this goal can be reached. So, please help us to prevent forest fires.

District Chief
ROBERT B. SMITH

REPORT OF THE TAMWORTH OUTING CLUB

Expenditure of the Town Appropriation

\$34 99	Purchase and maintenance of ski equipment for the Tamworth School Children. The labor for this project was donated. 20 pairs of skis have been issued to the children by the T. O. C.
\$20 00	Newspaper advertising, promoting the Tamworth Region as a winter sports area.
\$80 00	Repairing and repainting Tamworth Region ski signs and purchase of a new scotchlite sign for daily reporting of ski conditions on Page Hill. This sign, erected on Route 25 in Whittier, is in addition to the similar sign on Route 16 in Chocorua.
\$60 87	Printing of 5000 winter recreation folders promoting the Tamworth Region.
\$ 6 12	Purchase of electric light bulbs for the Town Christmas tree in the school yard. A tree is erected each year by the Outing Club.
\$35 00	Snow reporting through the New England Rope Tow Owners' Association, which assures Tamworth of direct snow reports to the news bureaus. \$10.00 of this is for membership in the Association.
\$63 02	Used for mowing brush on Mt. Whittier Ski Trail. The total cost of which was \$100.
<hr/>	
\$300 00	Total

With the help of the Tamworth Outing Club, the Boston College Ski Team held their annual New England Intercollegiate Ski Conference downhill race on Mt. Whittier trail and slalom on Page Hill. This event, involving six to seven college ski teams, attracts large

numbers of spectators to Tamworth during the race weekend.

The summer program of square dances and competitive games were held at Huckins Barn drawing from neighboring towns as well as Tamworth. The annual junior tennis matches and men's and women's singles were held at the end of the summer season.

The publicity committee wishes to report that while the annual New England Sled Dog Club race had to be postponed twice because of snow conditions we did not lose out on publicity. This Carnival weekend of Jan. 24 - 25 was reported very fully in three Boston newspapers and also in Providence, Hartford and Springfield, as well as on four radio programs. Among the other scheduled events the snow sculpturing contest was held and prizes awarded. A square dance was held on Saturday evening. The junior ski race was held on the following weekend.

Huckins Barn, State owned, is leased to the Tamworth Outing Club for \$50. per year. The facilities of the barn are available to town organizations, T. O .C. being custodian of the key.

TENTATIVE TAMWORTH SCHOOL DISTRICT WARRANT

To the Inhabitants of the School district of the Town of Tamworth qualified to vote in district affairs :

You are hereby notified to meet at the Town Hall in said district on the 16th day of April 1953, at 7:00 o'clock in the afternoon, to act upon the following subjects:

1. To choose a Moderator for the coming year.
2. To choose a Clerk for the ensuing year.
3. To choose a Member of the School Board for the ensuing three years.
4. To choose a Treasurer for the ensuing year.
5. To determine and appoint the salaries of the School Board and Truant Officer, and fix the compensation of any other officers or agents of the district.
6. To hear the reports of Agents, Auditors, Committees, or Officers chosen, and pass any vote relating thereto.
7. To choose Agents, Auditors and Committees in relation to any subject embraced in this warrant.
8. To see if the District will vote to raise and appropriate for the support of schools, for salaries of school district officials and agents, and for payment of statutory obligations of the district, the Budget as printed, and to authorize the application against said

appropriation of such sums as are estimated to be received from the state equalization fund together with other income; the School Board to certify to the Selectmen the balance between the estimated revenue and the appropriation, which balance is to be raised by taxes by the town.

9. To see if the District will vote to raise and appropriate the sum of \$1000.00 for use for payment of the salary of the cook for the school lunch program.

10. To see if the District will vote to authorize the School Board to make application for and accept in the name of the School District for school purposes such funds or grants-in-aid as may be obtainable from the State or the United States government or any other agency or department thereof, or any other source.

11. To see if the district will vote to authorize the School Board to place any surplus that shall have accrued at the close of the fiscal year of 1952 - 1953 into a contingent building fund.

12. To see if the District will vote to authorize the School Board to sell the Chocorua School Building and land; said building and land to be advertised for bids, the School Board to determine the minimum bid acceptable; and to place the proceeds of the sale into the contingent Building Fund.

13. To see if the district will vote to build and equip a new elementary school.

14. To see if the district will vote to appoint a building committee of two persons, to be appointed by the Moderator, to advise with the School Board in selecting a location for the new school and to supervise

the construction of said building, providing that the plans and specifications and the selection of a site for the new school shall finally be approved by the school board acting alone as required by law, and to further authorize the school board to execute any and all contracts or agreements necessary in connection with the construction and equipping of said school.

15. To see if the district will vote to authorize the school board, with the advice of the building committee, to engage an architect to make plans and specifications for said elementary school building, and authorize the school board to pay for these from the contingent building fund.

16. To see what sum the district will vote to raise and appropriate for the construction, equipment and furnishing of such new elementary school and the acquisition of any real property that may be necessary for its location; and whether the district will vote to raise such sum through the issuance of serial notes or bonds upon the credit of the district for all or any portion of the sum so raised and appropriated; and to authorize the school board to determine the terms and conditions upon which the notes or bonds shall be issued including their sale and the time and place of payment of principal and interest, in accordance with the provisions of the Municipal Bonds Statute, N. H. Revised Laws, Chapter 72, and any amendments thereto.

17. To transact any other business that may legally come before said meeting.

Given under our hands at said Tamworth this 16th day of February, 1953.

REPORT OF THE SUPERINTENDENT OF SCHOOLS

To the School Board and Citizens of Tamworth:

During the year 1951-52 the teachers in the Tamworth School were Principal Edwin A. Blackey, grades 7 and 8; Mrs. Elizabeth Sutherland, grades 5 and 6; Miss Margaret King, grades 3 and 4; Mrs. Lois Boothby and Mrs. Dorothy Remick, grades 1 and 2.

At the opening of the current year Mr. Richard York became principal and teaches grades 7 and 8. Mr. York is a graduate of Plymouth Teachers College and taught last year in Michigan. Mr. Arvine Miller, a graduate of Keene Teachers College now teaches grades 5 and 6. Mrs. Ethel Berry of Tamworth, a graduate of Plymouth Teachers College with several years' experience succeeded Mrs. Boothby in grade 1.

Total enrollment for the year was 164 pupils with the following distribution: — Primary Room, grades 1 and 2, 43 pupils; Elementary room, grades 3 and 4, 45 pupils; Grammar room, grades 7 and 8, 36 pupils. This gives an unrepeatd registration of 160 pupils. Census reports indicate there will be a slight drop in the enrollment during the next two years, but by 1955 the entering classes will increase in numbers. Enrollments have always exceeded the numbers indicated by the census reports. The number of pupils in each room for the current year varies little from those of last year.

These large numbers per teacher and the crowded rooms present a very serious obstacle to good education. The recognized desirable standard teacher-load is 25 pupils in one grade. Your teachers, except in grades 1 and 2, are attempting to teach much greater numbers

with two grades. Your teachers are extremely conscientious — far beyond the call of duty — and are striving to overcome the difficulties under which they labor. Their accomplishments are remarkable under the circumstances. But in the final analysis it is the children that suffer most from these conditions. This is shown by the fact that there is a high per cent of pupils who do not realize the desired degree of accomplishment and have to be held in a grade more than one year. This is no reflection upon the teachers.

The addition of one member to the staff would correct this to a large degree. This additional teacher would be assigned to work with small groups to provide the necessary individual instruction that is now impossible.

Enrolled at Kennett High School last year were 38 pupils, and at Fryeburg Academy 3 pupils. Nine seniors were graduated. In September of the current year 42 pupils registered at Kennett High School. Four years from now there will be over 70 pupils in high school.

Under the sponsorship of the Community Health Association arrangements were made whereby the State Department of Health Dental Technician, Mrs. Mary Carter came to the school about December first and cleaned the pupils' teeth and gave them the fluorine treatment. This fine service was much appreciated. We wish to express our appreciation for the very helpful services and splendid cooperation we are receiving from Mrs. Paul Nystedt, our Community Nurse.

Costs of education in Tamworth for 1951-52 in comparison to state average costs are given below.

	Tamworth	State Average
Current cost per elementary pupil	\$191.65	\$192.18
Cost per elementary pupil for teachers' salaries	76.61	105.77
Cost per high school pupil	301.38	321.36
Tax rate for school purposes per \$1000 adjusted valuation	13.88	19.99

The high school tuition rate for the current year is \$245.00 per pupil. The announced rate for next year is \$270.00.

The report of the building committee, sponsored by the Parent - Teachers Association, deserves the most thoughtful consideration by all citizens. If Tamworth boys and girls are to receive an education comparable to that offered in nearby communities facilities of comparable adequacy must be provided. A complete study of all aspects of this problem should be made before any conclusion is reached.

The sincere cooperation of the school board, citizens, parents, teachers and pupils is gratefully acknowledged.

Respectfully submitted,
EVERETT H. BRASIER

ELIZABETH C. HELME

SCHOOL HEALTH SERVICE REPORT

Sept. 1 to Dec. 31, 1952

In November, all pupils were examined by Dr. Edwin C. Remick, M. D.

Defects found:

Poor nutrition	8
Poor posture	30
Nose (enlarged inferior turbinates)	5
Mouth (dental structure)	3
Cervical glands	3
Heart	2
Abdomen	1
Pronated feet	3
Speech	1
Tonsils	5

In September and October, all pupils were weighed and measured by the nurse, and given the acuity vision test. Forty-two of these were further examined with the Massachusetts Vision Test.

Defects found:

Vision	16
Speech	2
Teeth	42

Pupils receiving treatment:

Rheumatic fever	2
Heart	2
Speech	3
Vision	7
Orthopedic	2

Other Nursing Services:

Office first aid	42
Home calls regarding absenteeism	4

Home nursing calls	14
Follow-up visits	35

As you see by the above statistics, the largest percentage of defects are with teeth and posture. With education and encouragement we are trying to help those with poor posture, a serious detriment to good health and good looks.

The dental defects would be more easily corrected if the distance to the dentists was shorter, and the dentists less busy. However, a dental examination by a dentist is being considered, with possible follow-up with a Dental Clinic.

We were extremely fortunate to have the State Dental Hygienist, Mrs. Mary Belle Carter, with us during December. She was able to clean teeth and apply the Fluorine treatment to all children in first through fifth grades, a total of 98. We were pleased with the almost 100% acceptance of this service by the parents, and hope that Mrs. Carter will be able to return in May to complete this program.

No communicable diseases have occurred this Fall. One health education film has been shown, with more planned for the future.

Respectfully submitted,
ROSALIND NYSTEDT, R. N.

SCHOOL BOARD'S ESTIMATE FOR 1953 - 1954

School Board's statement of amounts required to support public schools and meet other statutory obligations of the District for the fiscal year beginning July 1, 1953.

Administration:

REPORT OF SPECIAL COMMITTEE ON NEW GRAMMAR SCHOOL

The undersigned committee appointed jointly by the executive board of the P. T. A. and the School Board at the request of the public meeting held June 11, 1952 submits the following report of its conclusions to date: The committee has had several meetings to discuss the problem and has made inspections of new schools in Sandwich, Moultonboro and Standish. The purpose of these visits was to view the physical plants and to discuss with their building committees or school boards first why it was necessary in their towns to have a new school and second what was their method of planning and financing. As a result of our visits and discussions it is the opinion of the committee that Tamworth will want and need a new school plant in the near future.

A new plant seems necessary for the following reasons:

1. Limited floor space per pupil which is now about fifteen and one-half sq. ft. per pupil as against thirty to thirty-five sq. ft. which is the usual recommended space in new construction.

2. At present there are two classes per room and an average of forty pupils per teacher in the upper grades as against a recommended maximum of twenty-five pupils per teacher. The present classrooms are too small to be divided.

3. Inadequate storage space for materials, books and papers. Inadequate cloakroom space.

4. Inadequate plumbing and toilet facilities.

5. Inadequate lighting and ventilating.
6. Lack of assembly room where at least half the pupils can be gathered for educational movies, dramatics, lectures.
7. Inadequate and inconvenient gymnasium facilities — Tamworth Gardens rented.
 - a. Small playing surface.
 - b. Inadequate spectator space.
 - c. Inconvenient distance from the school resulting in infrequent practice periods. Result our pupils at a disadvantage with other towns.
 - d. No toilet and dressing room facilities.
8. Very limited school playing-fields which would be further reduced if present plant were enlarged or if trespass on neighbors' land were stopped. Ten acres considered minimum against present one acre.
9. A new school plant should provide an auditorium for town functions. It should do away with the present traffic hazard in bus loading at the present location, and provide parking facilities off the main highway.

The cost of a new plant seems very high, but to date we have some generous offers which would reduce the overall cost considerably:

1. Offer of two different sites at no cost to the town.
2. Offer of lumber at cost.
3. Offer of financing aid of about \$1000. per year

for minimum of ten years.

4. Offer of planning and architectural services at a reduced cost.

With these offers in mind and our conviction of the need of a new school, we feel that the town should establish a Building Fund, and vote into it any future school surplusses, besides proceeds from sales of school real estate or equipment. It is possible that private individuals and organizations which have already shown interest in the building of a new school plant might make donations to this fund.
